Most burglaries happen while you're at home!

Not while you're on holiday.

Not while you're at work.

While you're in the next room!

Security is the #1 thing people look for in a front door. So we're giving you more of it for FREE!

Across the UK and Ireland, a home is broken into roughly every two minutes. More than half of the time, someone is home when it happens. And in almost every case, it's the same story, two-thirds of burglars come through the front door, exploiting the same three weak points: the handle, the lock, the glass.

Every door already fights back! Triple glazing, steel reinforcing, high security hinges, hinge bolts, an 8-point locking system and anti-cut through metal mesh built into its core. It's not a door that gives up easily. Now we've made it even harder to get through.

ALREADY INCLUDED IN A DB DESIGNS COMPOSITE EXTERNAL DOOR:

Steel reinforcing in the frame and the door

Anti-cut through metal mesh inside the door

Two high strength steel hinge bolts

An 8-point locking system

This isn't just a door. It's a fully upgraded entrance to your home, **with the best of everything, now included.**

HIGH FIVE YOUR DOOR!

FREE

5-Star High Security & Energy Saving **UPGRADES**

HIGH FIVE!

Five incredible upgrades **FREE!**

You can choose to add all five free upgrades to your door, or you can choose just the upgrades you like.

FREE UPGRADE TO

High Security **Heavy Duty Door Chain**

Strong, simple and reassuring.

The certified heavy-duty door chain lets you partially open your door to see and speak to visitors while remaining protected. Designed for everyday ease of use, it provides an additional layer of security and greater peace of mind at your front door.

Available in Gold and Chrome.

FREE UPGRADE TO

Energy Saving **Make the cold disapeer!**

Stop precious heat escaping through your front door!

This substantial enhancement not only ensures a more comfortable and cosy environment but also translates into real savings on your annual heating bills.

Upgrade to triple glazing on your door, sidelights, and toplights, with advanced Low Emissivity glass and insulating argon gas.

FREE UPGRADE TO

High Security **Handle**

The high-security handle combines strength, style and certified protection.

Its solid construction and reinforced design help resist common methods of attack, providing an additional layer of security where your door needs it most, without compromising on appearance.

Available in Gold, Chrome & Satin Silver

Yale £3000 anti-burglary cylinder snap guarantee.

FREE UPGRADE TO

High Security **Anti-Smash Laminated Glass**

Security 6.8mm laminated glass reinforces and protects your home.

Laminated glass consists of two sheets of glass that have a layer of high strength polymer sandwiched between them. This prevents the glass from breaking into shards or shattering into little pieces meaning the panes of glass stay intact and your home stays secure.

FREE UPGRADE TO

Your Style **Magnetic Wreath Holder**

Easily style your door seasonally without screws or damage. The magnetic wreath holder uses hidden magnets, meaning you can attach a new wreath to your door in seconds.

Wreaths are available on certain door styles. Contact us for more details.
